

# Woodland Learning at Macaroni Wood

## Woodland Activities available at Macaroni

The residential centre is in the centre of a beautiful wood. Make the most of this facility by working with Ruth Parsons from Woodland Learning to learn about it through fun hands-on activities. The activities can be tailored for any group including families, teenagers and nursery children at any level of ability. A full day costs £200 and a half day £100.

Possible activities include:-

- Fire making and cooking.
- Den and shelter building.
- Hiding and running games.
- Mini-beast safari and pond dipping.
- Bows and arrows.
- Whistle making and music.
- Whittling with penknives

Woodland Learning is a small local business with many years of experience and lots of enthusiasm for working with people in woodlands. For more information see [www.woodland-learning.co.uk](http://www.woodland-learning.co.uk)
